

Financial Year	2016-2017
Number of Children on Roll (April 16- April 17)	44 (April 2016-April 2017)
Total amount of funding received.	£6,700

Context

The staff at Stepping Stones work hard to provide a PE and sports curriculum which is enriched with a wide range of physical activities and opportunities. Due to children being transported from a 45 minute radius we are unable to offer after school provision. It is therefore vital we enhance all the curriculum and expand our sports and PE opportunities. We are keen to develop activities in line with the interests of the children. A pupil voice questionnaire is carried out in order to gauge the interests of the children and to plan an enriched PE curriculum for the children.

Strategy for expenditure of PE Grant

- To continue to provide a term of swimming sessions for each class.
- To provide a greater range of activities, sports and PE opportunities for the children.
- To improve the PE provision further through utilising expertise, resources and facilities within the local community.
- For children to achieve accreditations of PE / Sports activities.

Next Steps for financial year 2017-2018

- **Continuation of swimming**
- **Exploration of other sports to take part in within the community, e.g. trampolining, climbing, gymnastics.**
- **Further development of cycling within the curriculum.**

Area	Rational and Reasons	Expenditure	Impact
Swimming	To ensure all children have opportunities in line with their mainstream provision. To improve water confidence and skills. To aim for all children to be able to develop swimming skills.	£2079.00	Approx. 95% of cohort access swimming sessions on regular basis. All children work towards swimming awards. Improved water confidence and water safety. Opportunity to access session that they may have missed in mainstream school. All children positive about Swimming sessions.
Climbing	For 8 Y5/6 children to have the opportunities of learning climbing skills.	£560.00	7 children achieved their Level 1 climbing accreditation. Future climbing work is proposed for Summer 2017. All children reported positive feedback and developed new skills, interests etc.
Dance	To raise the profile of Dance within the PE curriculum. To engage boys positively in dance sessions which are relevant to modern day society.	£250.25	Greater engagement in Dance. Positive attitudes by approximately 90% of KS2 cohort. Full term of Dance sessions for all KS2 resulted in positive attitudes and all children making good progress towards final dance routines.
Multi Skills	Additional Options with specialist sports company. In order to improve opportunities for children.	£805.00	High number of children attend the session weekly. Structured team work games played. Children develop a wide range of skills. Children work towards achieving medals and trophies as they would do through taking part in competitive games in mainstream school.
Borwick Hall	Improving the outdoor adventure provision / curriculum opportunities.	£688.00	Over 95% of children access the termly visits to Borwick Hall. The activities are carefully planned to expand the children's opportunities and sports / physical activity skills. All children make good progress and learn cooperation skills, respect, tolerance, patience and perseverance. It is part of their PSD development.
Miscellaneous (additional equipment, transportation, risk assessments)	Servicing equipment Transportation to events Additional PE equipment to support the curriculum.	£455.04	Improved opportunities and facilities.
TOTAL		£4,837.29	
Carry Forward		£1,832.72
