

READING AT HOME – NOVEMBER Challenge

As a school we are trying to encourage children to read for enjoyment and engage them in reading different authors and types of texts. E.g. newspapers, comics, information books.

We are having an Author of the month. November is David Walliams. We have got lots of his books in school that the children can take out in a book pack.

Alternatively the children can pick a book or any reading activities they like and read for enjoyment. It does not have to be age / ability appropriate it can be anything they want to read for enjoyment.

We would love you to do the same. We would like the children to bring books home that they want to read and explore. They may not be able to read them all but that's where you can help. We would like you to read to them. Spend 10 minutes 3 times per week sharing a book, talking about a text.

We want to hear about it all too!

So time to win a family prize.

All you have to do is...

Read and share read together.

For every short read = 1 raffle ticket.

For a medium sized text = 3 raffle tickets

For a large sized text e.g. Gangster Granny = 5 raffle tickets

We need evidence that the child / family are reading the text. This can be through photo's and comments about the text on ClassDojo or jointly completing reading activities that are in the reading packs.

Good Luck!

Next draw will take place on Friday 30th November and will be a lovely family treat prior to Christmas!
