

Hazel's Newsletter

Autumn 1

Our team:

Miss Hunter, Miss Watson, and Mrs Moorhouse will be working together to support Hazel this term.

What we are learning:

 Maths – We are going to be learning about lots of important topics, including Number and place value, Addition and subtraction, Multiplication and division, Fractions, Money, and Time.

 English – We will be working continually on developing our Phonics and sentence writing skills. These will be applied to the children's writing when we explore different genres. This half term we will be looking at: Traditional tales with a twist, instructions and riddles.

 Science – We will be learning all about 'Light'.

 History – After our wonderful summer holidays, as a class we will be investigating the differences between the seaside now and then.

 Social skills – We will be looking at lots of key social skills through daily activities that promote turn taking, sharing, collaboration and communication.

Welcome back everyone!
