### A Peek At What We Are Learning

Reading

Children will be choosing a book from school to read individually. We will photocopy a chapter for them to take home and every time a child reads at home and returns their reading book signed by adult, they will receive a raffle ticket. Each week, a raffle ticket will be drawn out for a prize.

Writing

In our English lessons we are reading and writing about 'Secrets of a Sun King' which fits in with our topic. We will be writing an explanation text, newspaper article and narrative from this.

Math

We will start this half term by looking at place value and addition and subtraction before moving on to multiplication, division, shape and fractions.

Science

In science, we will be investigating Earth and space. We will look at how the Earth, sun and moon move and what causes day, night and seasons.

Topics

Our topic this half term is Ancient Egypt, learning all about pyramids, Pharaohs, the Nile and mummification!

If your child has been showing the week's value at home, please send in a dojo message so we can put them forward for a home nomination.
