

Pear Tree School

Achieving the Best We Can in Everything We Do

Inclusion Network Meetings

What are they?

A network meeting to provide support and guidance, share updates, good practise, creative ideas and strategies to support inclusion.

Who will be there?

Outreach Support from Pear Tree School and Stepping Stones, and the District 4 Inclusion Mentors.

Who can attend?

We would love to see the SENDCo from each school and there will be an extra place for each school to bring someone else too!

Will there be a focus?

Each meeting we will share a short piece of research/reading to facilitate a professional discussion of how the ideas/information can be used in our settings.

Schools will also be sharing good practice about what is working well in their setting in order to support inclusive, positive behaviours.

Where and When?
