## Spring Term 2

### Who's Who!

Miss Wilkie, Mrs Rossall and Mrs Vallente will be working in Oak Class Monday to Friday.

### Important Things To Remember

- PE is on a Friday
- Your child needs to bring in a **water bottle** filled with water every day. They can have juice provided by school in class.
- Please check **Class Dojo** regularly to keep up to date with the latest information and updates from the school and our class

### This half term's Values

Wk 1: Trust and Respect  
Wk 2: Responsibility  
Wk 3: Courage  
Wk 4: Understanding  
Wk 5: Tolerance and Kindness

### A Peek At What We Are Learning

English

Reading and writing this half term will be based on the Literacy Shed video 'Alma' where the children will write a 3<sup>rd</sup> person narrative. They will then learn about instructions and write their own recipe based on our DT unit.

Math

The math topics we will be focusing on this half term are: fractions, geometry (shape), measurement (volume), statistics, and problem solving.

Science

During science this half term, children will explore how animals and plants are adapted to the environment in which they live. They will learn that adaptations occur over time and that may lead to a species evolving, and conduct an experiment to answer the question; which beak is best adapted to pick up a seed?

Topics

This half term we will be focusing on crime and punishment in history and celebrating culture and seasonality making a delicious soup in DT.
