

# Hazel's Newsletter

Summer 1

Welcome everyone!

## What we are learning:

- Maths – We are continuing to work on building our knowledge of key skills in counting, calculations and much more.

English – We will be creating our own traditional tale with a twist, writing recounts and learning how to write riddles.

- Science – We will be learning all about forces and magnets.
- History – This half term we will be delving into the past to explore what was life like in Victorian time.
- Social skills – We will be looking at lots of key social skills through daily activities that promote turn taking, sharing, collaboration and communication.

## Our team:

Miss Hunter, Mrs Turner and Mrs Vallente will be working together to support Hazel this term.

## Important Reminders

- PE will be on a **TUESDAY**, please can children come dressed in their PE kits (plain t-shirt, joggers, and trainers).
- Children should bring a refillable water bottle.
- Please check Dojo regularly as important updates will be posted on there, and you will receive updates on your child's day.

## Values:
