

Elm's Home Reading Challenge with Hot Chocolate and Biscuit Reward

Reading is an essential part of your child's education. We know you support us in developing your child's reading.

We understand how tricky it is to find the time to read at home, plus your child maybe reluctant to do so.

To encourage your child to want to read at home we have a Summer Term Elm Class Reading Challenge.

Every time your child reads at home, they will fill in one of the blocks on our class challenge sheet. **AN ADULT AT HOME NEEDS TO SIGN THEIR HOME READING RECORD FOR YOUR CHILD TO FILL IN A BLOCK.**

10 blocks filled in = a hot chocolate and biscuit treat in school as a reward and recognition of their hard work.

Children who consistently read at home during the summer term = a extra treat (possibly including cake)
